

# Blue Room News

Ms. Alysa and Ms. Courtney

September Newsletter 2023

## This month at school

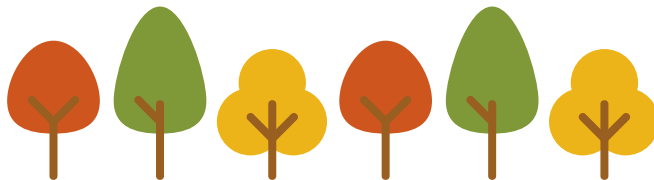

Welcome to Blue Room! This month's theme is Back to School!

For the first week of September, the letter of the week will be Vv. We will be learning all about me and my school. For art, we will be making self-portraits using crayons. For math, we will be matching different colored school supplies together. For science, we will be using pom poms to determine which ones match the correct crayon colors. For literacy, we will be getting familiar with our names by dot painting our names.

For the second week of September, the letter of the week will be Ww. We will be learning all about the Fall leaves and trees. For art, we will be making scarecrows using a paper bag. For literacy, we will be tracing uppercase letters in oats. For science, we will be experimenting to see if leaves, pinecones, and apples float or sink. For math, we will be making different shapes with leaves. We will also be discovering what can be hiding in a tree.

For the third week of September, the letter of the week will be Xx. We will be learning everything about apples and pumpkins. For art, we will be making a pumpkin that is made out of puff paint using shaving cream and paint. In the sensory table this week the children will get to explore apples, pumpkins, and gourds by examining the different textures of each one. For literacy, we will be sticking different letter stickers onto a big pumpkin.

For the fourth week of September, the letter of the week will be Yy. We will be learning all about my 5 senses. For art, we will be making listening earmuffs out of paper plates. For literacy, we will be using different spices to paint our names. For science, we will be using our noses to guess what foods are hidden in the cups. For math, we will be matching our 5 senses to the correct body parts. We will also have our water table filled with packing peanuts, sandpaper, and cinnamon sticks.
