

# Welcome to Yellow Room

What is happening September - January

I am so excited to begin the new school year with all our friends! In September, our theme will be "Back to School." We will focus on your child and his/her school, our 5 senses, Fall, and apples and pumpkins. For example, one art project will be making handheld mirrors to show our unique features. We will also focus on being friendly and what being friendly means!

In October, our theme will be "Awesome Autumn." We will focus on fire safety, nighttime/nocturnal animals, outer space, and Halloween! In addition, we will work on being respectful to our friends, family, and belongings. Our literacy and math/science activities will pertain to each monthly theme. For example, a literacy activity in September will be finding letter magnets that spell your child's name.

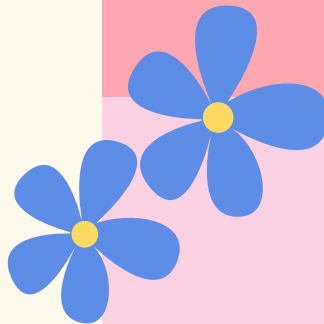

In November, our theme is "Happy Harvest." We will focus on harvest, Thanksgiving, our community, and maps/globes/travel. We will also apply the meaning of being determined and what that means!

In December, our theme will be, "Holiday Hoopla!" Our activities will relate to Winter, holidays around the world, and New Year's celebration. We will also work on the character trait of being fair, such as, listening to everyone's ideas. I can't wait to help your child learn and grow this school year!

If you have an questions, please don't
